Dear Inmate;

We are writing you to introduce our organization to you. We are a free book program for inmates in the TDCJ system. We understand that your time spent in TDCJ can be very difficult and that a good book can help to pass that time in a positive way.

We can provide one (1) book every sixty (60) days to each inmate who writes to request it. Each request takes 5-7 days to process. The requests are not limited to religious books; they can be fiction, non-fiction, biography, self-help, parenting, etc. When you fill out the application please indicate if your unit allows hardback books as each unit is different.

Additional applications are available upon request. We are also accepting donations from families so that we can provide more books to more inmates.

Sincerely,
L. Ruiz
